

Attention Parents:

FREE! Dental Check-ups to meet Kindergarten entry requirement for fall 2010

State law requires that all **children entering school in the fall of 2010** must have a dental evaluation. First 5 Mono County, local dentists, and Mammoth School District have teamed up to offer your child a free dental check up to meet this requirement, and to help you prepare your child to enter Kindergarten next fall. Regular dental care is important for your child's health and success in school!

Attend one of these events to be held at Mammoth Elementary School:

Friday, March 5th, from 6:00-8:00 pm
and
Saturday, March 6th, from 9:00-11:00 am

**Dr. Sansom, DDS
and
Dr. Schrage, DDS**

To sign up or for more information:

- ~ Attend Kindergarten Round Up on March 3rd at Mammoth Elementary, or
- ~ Call the First 5 office at 760/924-7626
