

Full-Day Professional Development Opportunity

Saturday, September 17, 2011 9:00 a.m. - 4:00 p.m.

Mammoth Lakes Library, 400 Sierra Park Road, Mammoth Lakes

English Language Development Foundations

A Focus on Our Young Multilingual Learners

- * We will discuss the importance of home language to a child's learning and identity, as well as the stages and paths to English-language learning.
- * You will learn to navigate and understand the structure and content of the English-language development domain of the California Preschool Learning Foundations.
- * Begin to think of ways to use the ELD foundations to support English learners in your classroom.

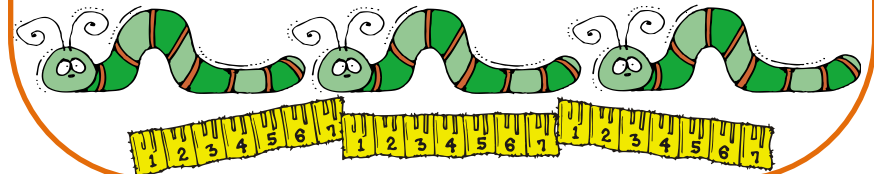

and

Inch By Inch

Preschool Math:

A focus on Measurement

- * Become familiar with and promote the research in early childhood mathematics in your classroom.
- * Be able to describe the implications of this research and instruction for young children and teachers.
- * Understand the links between the mathematics research and current practices.
- * Encourage the application of classroom and at-home practices that enhance children's mathematical growth and development.

RSVP to Sarah Downard by Friday, September 9th - see attached registration form
