Social Emotional Development

With a focus on Self-Regulation and Social Interaction

This training on the social-emotional domain of the California Preschool Learning Foundations, will focus on the self-regulation and social interaction substrands. You will become familiar with current research on social-emotional development and connect the foundations to effective strategies that build positive relationships and support the development of self-regulation and social interaction skills.

Saturday, April 14, 2012

9:30 a.m. - 4:00 p.m.
