Five-week series:

- ◆ Pregnancy and labor overview
- ◆ Breathing and relaxation
- ◆ Nutrition, exercise in pregnancy
- ◆ Normal progression of labor
- ◆ Role of the labor coach
- ◆ Hospital routines/procedures
- ◆ Interventions in labor/delivery
- ◆ Anesthesia, pain medications
- ◆ Tour of Labor and Delivery
- ◆ Bonding and Breastfeeding
- ◆ Postpartum and well baby care

*Additional resources and information
available at each session.*

- ◆ Bring two pillows, and a blanket or quilt.
- ◆ Wear clothing suitable for free movement and exercise.
- ◆ Please consult your doctor for any recommendations or cautions.
- ◆ Light snacks will be provided.

These classes offer a childbirth preparation program for parents interested in learning and sharing experiences in a supportive environment.

Emphasis will be on an individual and realistic approach to labor and birth. You will learn the tools necessary for a safe, comfortable labor and birth experience.
