

The top left of the page features four light green circles, two of which are empty outlines. Below them is a cartoon illustration of a family inside a large green peapod. A mother and father are visible inside the pod, and a small, round, smiling character is standing outside. The peapod is on a green patch of ground.

Playgroups

children in your area.*

"We're all in this together"

Parent/child playgroups for families with children birth to 5 years old are now being offered in your community to provide parents an opportunity to enhance their child's social and emotional development through play. Just as importantly, social opportunities for parents are provided.

Typical activities include arts and crafts, free play, and guest speakers on topics of interest to new parents. The playgroups meet weekly at the same time and place, enabling families to form a healthy habit of having fun together.

**Grupos de actividades

pequeños**

Cónectase con otros
padres y niños en su área.

Los grupos de actividades para padres/niños se ofrecen con el propósito de dar a los padres la oportunidad de mejorar por medio del juego el desarrollo social y emocional de sus niños. De igual importancia, estos representan oportunidades sociales para los padres.

Entre las actividades típicas se incluyen artesanías, juego libre, y oradores invitados para hablar sobre temas de interés para los padres primerizos. Los grupos de actividad se reúnen en forma semanal, a la misma hora y en el mismo lugar, permitiendo que las familias formen un saludable hábito de divertirse juntos.
