

California's Infant and Toddler Learning and Development System Seminar

contact: Consuelo Espinosa | tel: 408.803.1121 | email: cespino@WestEd.org | www.pitc.org

Who Should Attend

Early Child Care Professionals working with children 0-36 months, including:

- » Family Child Care Providers
- » Child Care Teachers
- » Child Care Center Directors and Administrators

Goals of the Seminars

This seminar, offered in local communities across California, provides an overview of California's Infant/Toddler Learning and Development System. The seminars will focus on a major publication by the California Department of Education, Child Development Division, the Infant/Toddler Program Guidelines.

Designed to support continuous improvement efforts of infant/toddler programs, the seminar will help participants to:

- » Understand the five components of the California Infant/Toddler Learning and Development System;
- » Deepen their understanding of the Infant/Toddler Program Guidelines;
- » Understand the importance, characteristics, and benefits of high quality infant/toddler care; and
- » Plan effective infant/toddler curriculum

Brought to you in partnership with the California Department of Education, Child Development Division; WestEd, PITC Partners for Quality; and First 5 Mono County

Seminar: Infant/Toddler Learning and Development Program Guidelines (November 3, 2012):

This 6-hour seminar will explore the I/T Learning and Development Program Guidelines. The Program Guidelines provide information about how to provide high-quality early care and education, including recommendations for program policies and the curriculum planning process that will improve program services to infants and toddlers. Participants will interact with CDE's I/T Program Guidelines, related DVDs, and Guidelines workbook.
