DESCRIPTION OF WELLNESS CENTER ACTIVITIES

RELAPSE PREVENTION GROUP: This group is designed to deliver information, support and camaraderie. We have many goals for the Relapse Prevention Group. Some of our goals include; Allow interaction with other people in recovery, receive relapse prevention material and group cohesion. Please join us!!

Dinner with Friends: Meet at 4pm at Sierra Wellness Center. County will drive to Lee Vining for burgers. Any questions please call Shirley 760-924-1742.

LIVING STRESS FREE & MAKING POSITIVE CHOICES:
Has stress gotcha down? Come and learn anger management techniques and fun ways to feel less stressed and start enjoying your life to the fullest

OPEN DOOR: Come in for conversation, a movie, coffee, reading or art. Feel free to bring in a project that you would like to work on.

HIGHLY SENSITIVE PERSON SUPPORT GROUP: This support group is open to all HSPs interested in being in a validating and supportive environment, engaging in self-exploration and personal growth through expressive arts, and connecting with other HSPs to share experiences and strategies. We will use different mediums such as watercolor, collage, clay, music, movement, and other forms of creative expression to learn about ourselves, tap into creativity, and express difficult to articulate feelings, emotions, and experiences.
Please note: The requirement to take this class is to take the HSP Assessment, prior to joining the group. Here is the website to the assessment:

Club House Live M.S. & Club House Live H.S. is a free after school program for Middle School & High School students that gives Mammoth youth a safe place to hang out, do homework and socialize. Activities will be developed together, such as dances, movie nights and community events.

HENNA BODY ART: Henna has been used to adorn the body for centuries. The process involves piping a paste made from the Henna plant onto the skin in the desired design. After drying, the paste creates a red-brown stain. The end result is a beautiful and temporary tattoo.

“Let’s Quit Together”: Studies prove that quitting tobacco is more successful when done together. “Let’s Quit Together” is a chance to quit once and for all while making supportive connections. Together, we can do anything!”

Writing Down The Bones: Loosely based on the book "Writing Down the Bones" by Nathalie Goldberg, this workshop will focus on cultivating spontaneous journaling skills as a tool for self-reflection, stress management, problem solving, and creativity. Using techniques such as writing from “first thoughts” (keep your hand moving, don’t cross out,
