OPEN ART STUDIO: Come in for conversation, a movie, reading or art. Feel free to bring in a project that you would like to work on.

Yin Yoga: Yin is a passive style of yoga where stretches are held for longer periods in comfortable positions (2-5 minutes). No standing poses or flowing combinations! The purpose is to improve mobility in the hips and spine and gain access to deeper connective tissue (fascia). Focus is on the breath and the practice encourages relaxation, stress release and a sense of surrender in both body and mind. PLEASE NOTE THE TIME CHANGE!!

Music Lessons & appreciation: Have you ever wanted to learn a musical instrument? Kevin Lynch teaches guitar, mandolin, bass, harmonica, keyboards, orchestral strings and music theory, as well as what to listen for in music.

HIGHLY SENSITIVE PERSON SUPPORT GROUP: This support group is open to all HSPs interested in being in a validating and supportive environment, engaging in self-exploration and personal growth through expressive arts, and connecting with other HSPs to share experiences and strategies. We will use different mediums such as watercolor, collage, clay, music, movement, and other forms of creative expression to learn about ourselves, tap into creativity, and express difficult to articulate feelings, emotions, and experiences.

Please note: The requirement to take this class is to take the HSP Assessment, prior to joining the group. Here is the website to the assessment:
