PEAPOD GROUP: Please join Chanden Tolbert-Robasciotti of the Peapod Program for this great activity. This is an opportunity to enhance your child's social and emotional development through play. It's also a great opportunity for parents to socialize. Please call Chanden at 530.208.6472, if you have guestions.

GIVE THANKS MEAL: Let's come together, break bread and feast. This is a potluck, so please bring your favorite side dish. The turkey, stuffing and drinks will be provided. Please call 530.495.2363 if you have questions

Encaustic Art: Also known as hot wax painting. This Style of art is free and flowing. We use an iron looking tool to create original works of art. No two are the same. Have no fear, you can't make a mistake.

MOMMY MOMENT: This time is set aside for all of the moms, of children of all ages. This is a time to come and talk about whatever is on your mind. You may want to vent or you may be feeling strong and just be there for someone else. You may want to share a funny story and fill the room with laughter or just hang out! Please come and join us!!

OPEN STUDIO: If you have a project you are working on, or if you want to learn a new craft, than this is the activity for you. This is a time to get together with others and share ideas and snacks.

KNIT A CAP: It's that time of year again, to pull out your scarves and hats. If you would like to learn how to knit with needles or with a loom, come on down. If you know how to knit, please join us for talk time.

Iris Folding Cards: Iris folding is a paper folding technique using colored papers. The folded strips of paper are layered in a spiral pattern. This technique is called iris folding because the center of the design is typically finished with holographic paper and the result resembles the iris of an eye or camera. The technique originated in Holland.
