Preschool Math: A focus on Measurement

Explore strategies to make measurement come to life in the classroom. Discover the links between current research and current practices. Learn how classroom and home practices enhance children's mathematical growth and development. This workshop focuses on the measurement strand of the Preschool Learning Foundations.

Saturday, March 15, 2014

8:30 a.m. - 4:00 p.m.

There will be a 30 minute break for lunch

Jill Kinmont Boothe School

166 Grandview Drive, Bishop

You may also attend via videoconference at these locations:

Mono County - Mammoth Lakes Library, 400 Sierra Park Road, Mammoth Lakes

Alpine County - Diamond Valley Elem. School, 43 Hawkside Dr., Markleeville

Pre-registration is required

See attached registration form for details

RSVP by March 7, 2014

This professional development session, sponsored by the California Department of Education/Child Development Division, meets the requirements for the Comprehensive Approaches to Raising Education Standards (CARES) Plus Program.
