DESCRIPTON OF WELLNESS CENTER ACTIVITIES

RELAPSE PREVENTION GROUP: This group is designed to deliver information, support and camaraderie. We have many goals for the Relapse Prevention Group. Some of our goals include; Allow interaction with other people in recovery, receive relapse prevention material and group cohesion. Please join us!!

Chakra Yoga & Meditation:

Chakras are seven energy centers within the body, from the base of the spine to the crown of the head that can affect overall health if they become blocked or overloaded. Re-balance the body and mind through simple yoga poses, breathing and meditation to achieve physical, emotional and spiritual harmony.

Yin Yoga: Yin is a passive style of yoga where stretches are held for longer periods in comfortable positions (2-5 minutes). No standing poses or flowing combinations! The purpose is to improve mobility in the hips and spine and gain access to deeper connective tissue (fascia). Focus is on the breath and the practice encourages relaxation, stress release and a sense of surrender in both body and mind. PLEASE NOTE THE TIME CHANGE!!

WomenTalk: This process group provides a safe, supportive environment for WOMEN to share their personal struggles and to develop healthier ways of living, growing, and relating to others. This group is ideal for those who wish to gain self-awareness and want to learn how to cultivate more intimate, satisfying relationships with others and themselves. Open group, come as you want but please respect the people within the group by coming on time and keeping the confidentiality of those who choose to attend. See you there!

Overeaters Anonymous Preamble: Overeaters Anonymous is a Fellowship of individuals who, through shared experience, strength and hope, are recovering from compulsive overeating. We welcome everyone who wants to stop eating compulsively. There are no dues or fees; OA is not affiliated with any public or private organization, political movement, ideology or religious doctrine; we take no position on outside issues. Our primary purpose is to abstain from compulsive eating and to carry the message of recovery through the Twelve Steps of OA to those who still suffer. Contacts: Tessa 760-934-6588 or Leah 760-914-0847

Club House Live M.S. & Club House Live H.S. is a free after school program for Middle School & High School students that gives Mammoth youth a safe place to hang out, do homework and socialize. Activities will be developed together, such as dances, movie nights and community events.

HIGHLY SENSITIVE PERSON SUPPORT GROUP: This support group is open to all HSPs interested in being in a validating and supportive environment, engaging in self-exploration and personal growth through expressive arts, and connecting with other HSPs to share experiences and strategies. We will use different mediums such as watercolor, collage, clay, music, movement, and other forms of creative expression to learn about ourselves, tap into creativity, and express difficult to articulate feelings, emotions, and experiences.

Please note: The requirement to take this class is to take the HSP Assessment, prior to joining the group. Here is the website to the assessment:

Soul Art: Nourishing Mind, Emotions, & Creativity

Join this weekly workshop to learn different techniques of mixed media art to engage in inner-work, contemplation and personal growth. No experience required

OPEN DOOR: Come in for conversation, a movie, coffee, reading or art. Feel free to bring in a project that you would like to work on.

LIVING STRESS FREE & MAKING POSITIVE CHOICES: Has stress gotcha down? Come and learn anger management techniques and fun ways to feel less stressed and start

THE IDEA GARDEN: Join us every-other Friday 1:00pm-2:30pm.

A Fertile Conversation Space for Ideas and Connection. The Idea Garden is a sacred space where individuals can feel connected to a living community. It is the opportunity to gather with others in a fertile environment to cultivate ideas, find meaning, and participate in inspiring conversations that strengthens the heart of the human community. The Idea Garden aims to inspire people to use their minds and hearts at their maximum capacity and to come to appreciate the personalities and contributions of others, even if they differ from their own. True conversation occurs when we feel at ease expressing our ideas and sentiments, while remaining free to modify them based on what we learn from others. It is in such environments that great ideas are born... and where people find the energy to have a positive influence on the world.
