# Mono County Libraries September 2014

## Raising A Reader

As the new of school year begins, local children will have the opportunity to participate in **Raising A Reader (RAR)**, Mono County Library's proven, award winning early literacy program for kids 0-5 years old. With RAR, Red Book Bags filled with high quality children's books are rotated through the home every week; families develop, practice, and learn read-aloud strategies, and book routines. Sign up for RAR at your local branch library or at participating preschools and childcare centers. For additional information, please contact Taylor Kumlue, RAR Coordinator: 760 934-4777 or tkumlue@monocoe.org.
