

Mono County Child Care Survey

Do you have children between the ages of 0-12? We'd like to hear from you!

The Mono County Child Care Council (MCCCC) is conducting a needs assessment survey on the child care needs of Mono County.

The responses from this survey will help the MCCCC develop a community plan that addresses the needs of Mono County. It will also help us educate our elected leaders and business community about child care needs affecting Mono County families and businesses.

Please stop by the IMACA office at 625 Old Mammoth Road, Mammoth Lakes, CA 93546 to fill out the survey or go to the following link to fill out the survey:
