Yin Yoga: Yin is a passive style of yoga where stretches are held for longer periods in comfortable positions (2-5 minutes). No standing poses or flowing combinations! The purpose is to improve mobility in the hips and spine and gain access to deeper connective tissue (fascia). Focus is on the breath and the practice encourages relaxation, stress release and a sense of surrender in both body and mind.

Revolving Doors: Referral Only Group

Revolving doors is a support group for men who are on probation, parole, or who have served time in an institution (state or county) and are struggling to adapt to the way community expects them to function. In this group you will be encouraged to express yourself, your ideals and beliefs. You will also have an opportunity to receive an objective view from a person who has been through the system and has made the necessary changes to break the cycle of incarceration. You will also learn about available resources. (Employment, Mental Health, Medical etc.) Please call 760-924-1740 or ask your probation officer for a referral.
