

## LIHEAP Weatherization Waitlist Registration Form

**Weatherization** or weatherproofing is the practice of protecting a building and its interior from the elements, particularly from sunlight, precipitation, and wind, and of modifying a building to reduce energy consumption and optimize energy efficiency.

Due to the overwhelming response of the LIHEAP Weatherization Program, our agency has created a waitlist for new applicants for the upcoming LIHEAP Weatherization Program. Please complete the form below to be added to the waitlist. Once your Wait-list Registration Form has been received, an acknowledgement letter will be sent to you. You will be contacted once your name has been selected for assessment.

Please send complete forms to:

IMACA, Inc.  
C/O Weatherization  
137 East South Street  
Bishop, CA 93514
